# MURAL applications

Mosaic is the art of creating images with an assemblage of small pieces of colored glass, stone, or other materials. It is a technique of decorative art or interior decoration. Mosaic Mural is made of small, flat pieces of glass of different colors, known as tesserae. The tesserae are cut into different shapes, and then applied face-down to a mesh using an adhesive. So you can transfer it onto your wall, floor or craft project. It is unique customized mosaics only for you. Artistic mosaic is getting more and more popular for home decor.

Ideal for a wide range of commercial projects such as hotels, retail storefronts, chain store logos, spas, shower stalls, and restrooms. Commercial custom glass mosaic mural pieces can make an artistic statement for any business or setting.

Residential applications, custom glass mosaic tile murals can add elegance and sophistication and personalized touch to the kitchen, wall space, bathroom, or pool area.

Whether you are looking for a commercial or residential setting, let us help you make your custom mosaic tile designs come to life with our mosaic mural capabilities.
